

## Internal Quality Assurance Cell (IQAC)

### North Gauhati College, College Nagar, Guwahati - 31

The Internal Quality Assurance Cell (IQAC) sets parameters for achievement and maintenance of quality in the college. Various committees are formed under the IQAC for smooth functioning and growth of the college. The objectives of the cell include ensuring of quality as per the standards enforced by accrediting agency like NAAC, to check as well as execute plan of action, to conduct periodic internal audit for reviewing quality management system, to collect students' feedback on facilities and services provided to them, to disseminate information to the stakeholders, to ensure implementation of quality processes with proper documentation and to furnish information to the concerned stakeholders.

The college formed its IQAC in 2004 to address quality sustenance and quality development in various aspects of institutional functioning. The college has adopted the mechanisms for quality assurance within the existing academic and administrative systems. IQAC is also responsible for verification of API for promotion of teachers.
